Young Eagles Program

Founded in 1992, the Young Eagles program has dedicated nearly 25 years to giving youth, ages 8 to 17, their first free ride in an airplane.

It's the only program of its kind,. Its sole mission is to introduce and inspire children in the world of aviation.

Today, the Young Eagles program has flown over 2 million children with the help of EAA's network of volunteer pilots and ground volun-

Monthly Meetings

Our monthly meetings are held at the Fond du Lac County Airport Terminal, in the Community Room. We hold our membership meetings on the first Monday night of the month (unless it's a holiday). Meetings that fall on a holiday are generally held the following Monday. (See www.fdl.net/ea572 for more information.)

Our social time begins at 6:00pm and usually begins with a meal that is provided by the member in charge. The meeting time is 7:00pm. We try to have a program each meeting. If time permits, we watch the EAA provided monthly video.

Saturday Hangar Talk Gatherings

Our Board of Directors meetings are held on the third Saturday, again at the Airport Terminal. These meetings are held in the Board Room.

We provide donuts and we encourage members to attend and join in a "Hangar Talk" in the terminal seating area while the meeting takes place.

Fond du Lac EAA 572

Chapter meetings are held at the Fond du Lac County Airport Terminal In the Community Meeting Room.

Yearly Scholarships

Each year our EAA Chapter will award a \$1000.00 aviation scholarship to a deserving person over the age of 15. This scholarship can be used for flight training, college or technical school leading to a aviation related degree. See our website (www.fdl.net/ea572) for more details.

Yearly EAA Convention Aircraft Parking and Camping in Fond du Lac

Airplanes parked at Fond du Lac during Airventure

Purpose of EAA Chapter 572

- To promote, encourage, and facilitate an atmosphere where all are welcome to join and become a part of recreational aviation.
- To promote, encourage, and foster an environment that celebrates and nurtures the participation of families and the spirit of volunteerism within the world of recreational aviation.
- To promote, encourage, and facilitate membership in EAA (Experimental Aircraft Association).
- To support and promote the mission, vision, goals and objectives of the EAA through programs and services within the Chapter family.
