

On Monday, January 8, 2018, be prepared to step back in time. You are going to be transported back to the mid-1950s. Chapter 572 will present a Movie Night for our Chapter members.

In the 1950s when you went to see a movie, you saw a cartoon, a short feature, and a full-length feature film. That is what is in store for you on January 8. You will enjoy a cartoon from 1954, an aviation themed short feature from 1953, and the timeless classic aviation film *The High and the Mighty* starring John Wayne and Robert Stack, produced in 1954.

Nominated for six Academy Awards, *The High and the Mighty* will allow you to soar across the Pacific Ocean in a DC-4 on a Honolulu to San Francisco flight that takes a terrifying, suspense-building turn for the worse.

The cartoon runs about six minutes, the short subject about 20 minutes, and the feature film about 1 h 45 min. Listen to the popular songs of 1953 and 1954, including hits by Frank Sinatra, Rosemary Clooney, Doris Day, and others.

Come at 6:00 PM for the meeting. The show will begin at 6:30 PM. Popcorn and movie theater snacks will be served.

So, ladies and gentlemen, don't forget (if you're so inclined) to bring your loafers and letter sweaters, pencil or poodle skirts and saddle shoes, and your interest in aviation.
