Sept - Jim O'Connor

Oct - Doug Hankwitz

Nov - Pete V.

Dec - ????

more of *What's Going On?*

**Please help by sending the editor pictures of club activities, you with your airplane, and your interesting aviation stories.**

Pete Buffington, author of Squawk 7700, spoke at our April meeting, and told of his personal adventure into the world of aviation to achieve a professional airline pilot career

## MONDAY AGENDA

**April Meeting Recap....** Pete Buffington spoke about his experiences in the airline industry. It was decided to get a podium for use by speakers at our meetings. A sign for our chapter under the airport sign was discussed. It was decided to order name badges for wearing at meetings and other activities. The chapter will subsidize the cost, with members paying \$2 towards the cost. Money is to be paid to our treasurer. The possibility of getting chapter shirts and hats will be discussed at the May meeting. Our fall Young Eagles Day will be September 8<sup>th</sup>, with a rain date of Oct. 6<sup>th</sup>.

**Snacks for the next meeting at Sonex** are being provided by Jim Kollmansberger. Thanks to Ann Lindberg for the April meeting snacks!

**New Member:** Bob Wagner

*The Horicon Marsh from Trace's plane, returning from breakfast at Lone Rock*

**For Sale:** Archer II - ½ of a great partnership. This airplane is a great flyer. Good condition with auto pilot. Year of manufacture is 1979 but sold and registered in 1980. Contact Keith Lee for additional information or to schedule an appointment at any time. Based in Fond du Lac. 920-929-4098

**For Sale:** 50'x50' commercial hangar on west side of Fond du Lac (FLD) airport. Canopy over entrance door, insulated on roof and sidewalls. 44' wide Schweiss bi-fold door. Wired for 220 volts, outlets, and has lights. About 11 years old. More info and pictures in *For Sale* section of chapter web site. Contact John Zorn at 920-921-3186 or Trace Blakely at 920-602-6272

**Wanted:** Hangar Space for my aircraft. Looking for hangar space on the Fond du Lac airport for my Piper Warrior II. Wingspan: 35 feet; Height: 7 feet 3 inches; Length: 23 feet 8 inches. Please contact me at (262) 498-0942.

*If you have aviation items for sale please contact newsletter editor at [FondduLac.EAA.newsletter@Battell.net](mailto:FondduLac.EAA.newsletter@Battell.net). No charge to list in newsletter.*

**Our April meeting:**

**At Aviation Heritage Center, Sheboygan County Memorial Airport:**

19CE, the first homebuilt Moni to fly (on April 22, 1983)

Model T's visiting the Aviation Heritage Center, with its T-33 Lockheed Shooting Star Jet trainer

One of the many models on display

**A Radioplane Aerial Target Drone-**  
Used for anti-aircraft gunnery training, pulling a sleeve behind. This drone was used off Camp Haven, and was recovered from Lake Michigan.

A flight simulator set up like the Wright Brothers airplane gives an idea of what the first flight was like
